

Hints to Secretaries

Make yourself fully conversant with League Rules **particularly those liable to fines.**

Inform the League Secretary as soon as possible of any change of club officials, address or telephone. If summoned to a Meeting of the Executive Committee, you must arrange for your Club to be represented.

Deal promptly with all correspondence, especially from the League.

Requests for Official League Forms made to the League Treasurer must be accompanied by the appropriate remittance, where appropriate stamped addressed envelopes must always be included when making purchases from the Treasurer

Home Club Secretaries should ensure that both the Referee and opponents are advised of ground location when confirming matches at least 4 days before the fixture, Away Club Secretaries should acknowledge notification regarding match arrangements received from Home Club Secretaries.

In inclement weather, all reasonable effort must be made to prepare your ground for matches, whenever possible touchlines should be cleared of snow. Decisions in respect of ground fitness should be taken as late as possible bearing in mind the distance of the visiting club

Matches may not be cancelled, changed or postponed without the sanction of the League through the League Fixture Secretary. The only exception being FAW National Competitions

When a game is not played both Secretaries must advise the League Fixture Secretary at once advising full particulars regarding the fixture not being played

Be sure that all your players are duly qualified, whether it be for League or Cup fixtures, all information regarding player eligibility is available through COMET.

In respect of League Cup fixtures ensure that the players full name and their registration number are correctly entered on the Team Sheet

Make sure that all members of your club know the official requirements regarding equipment; this particularly applies to boots and jewellery.

The Home Club is responsible for the welfare of Match Officials prior to, during and after the match, and also on leaving the ground. Ensure that the envelope supplied to the Referee for Match Report Form bears a postage stamp in order that they can post it immediately to the League Secretary.

Report on Referee Forms must be sent to the League's Referees Secretary (email acceptable) within 7 days of the match (rule 17). Block submission is not permitted.

Home clubs must telephone the result of the game as soon as possible after its conclusion in accordance with (rule 11n)
